

Web Project Contract : AnyTru

API Development Agreement

Contract Date: 30-April-24

This Agreement is made effective as of [30-04-24], between Shubham Maddheshiya ("Developer"), a Backend Developer, and AnyTru, brand of Ciel Info Solutions (C/O Karan Singh Chuahan), a company incorporated under the laws of India, having its registered office, New Delhi ("Client").

1. Scope of Work

Developer agrees to develop an Application Programming Interface (API) to support the following backend functionalities or as required in the Figma design:

1. Authentication and authorization with Google and Apple.
2. Retrieving data from Google or Apple ID to the database.
3. CRUD operations for user profiles (first name, last name, email, user ID, bio, followers, following, posts).
4. CRUD operations for vendor profiles (name, email, vendor ID, followers, following, rating, bank details).
5. CRUD operations for product posting by users.
6. Vendor functionality to approve the project & Chat Interface with User.
7. Integration of payment methods.
8. Creation of a contact us form.
9. CRUD operations for About Us content.
10. CRUD operations for Blogs posts.
11. CRUD operations for Terms & Conditions.
12. CRUD operations for Privacy Policy.
13. CRUD operations for Returns / Cancellation Policies.
14. User functionality to save posts to favorites list, save posts in the cart, and place orders with vendors.
15. User functionality to create, delete, update profile.

2. Payment Terms

The Client agrees to pay the Developer a total fee of INR 40,000/- (Forty Thousand Indian Rupees) for API and Backend Development of AnyTru (As Presented on Figma).

2.1 Advance Payment: Client shall pay the Developer an advance payment of 10% of the total project cost upon the execution of this Agreement, which will serve to initiate the development process.

2.2 Payment Milestones: Client agrees to make payments to Developer based on the completion of the following milestones:

- Milestone 1: Authentication and authorization implementation. Payment of 20% of the total project cost upon completion.
- Milestone 2: User and vendor profile CRUD operations. Payment of 20% of the total project cost upon completion.
- Milestone 3: User functionalities (favorites, cart, orders, addresses). Payment of the remaining 20% of the total project cost upon completion.
- Milestone 4: Content management (contact us, About Us, Blogs, Terms & Conditions, Privacy Policy, Cancellation Policies). Payment of 20% of the total project cost upon completion.
- Milestone 5: Product posting, chat functionality, and payment integration. Payment of 20% of the total project cost upon completion.
- Each milestone payment shall be calculated based on the total project cost and the corresponding percentage specified above.

3. Invoicing and Payments

3.1 Developer shall submit invoices to Client upon completion of each milestone as outlined in Section 2.2. Invoices shall include a description of completed work, the corresponding milestone, and the amount due.

3.2 Client agrees to make payments within 1 day of receiving an invoice from Developer. Payments shall be made in Indian Rupees (INR) via NEFT or RTGS through the bank.

4. Project Timeline

Developer shall complete the API development within 3 weeks from the date of receipt of the advance payment. Delays caused by factors beyond Developer's

control may result in adjustments to the project timeline.

5. Termination

Either party may terminate this Agreement upon written notice if the other party breaches any material term of the Agreement and fails to remedy the breach within 1 week.

6. Ownership & Rights

The Developer acknowledges that all codes, content, designs, concepts, and materials created by the Developer as part of this project shall remain the intellectual property of the Client. Upon full payment, the Client shall have the exclusive right to use, modify, and reproduce the designs for the purposes outlined in this Contract. Confidentiality :Both parties agree to keep all project-related information confidential and not disclose it to any third party without prior written consent.

6. Governing Law

This Contract shall be governed by and construed in accordance with the laws of India. Any disputes arising out of or in connection with this Contract shall be resolved through amicable negotiations between the parties or under New Delhi Jurisdiction.

IN WITNESS WHEREOF, the parties hereto have executed this Contract as of the date first above written.
